<p>10.08</p>	<p>In respect of business concluded against this Tender Notice, the following conditions will apply.</p> <p>i) Schedule of deliveries for Shipment from Load ports latest by as mentioned on clause no – V of Part A.</p> <p>ii) In case of multiple Bills of lading for one vessel, the date of Bill of Lading issued in the last shall be treated as shipment date for the total cargo loaded in that vessel.</p>

<p>10.09</p>	<p>FORCE MAJEURE</p> <p>i. If at any time during the existence of this contract either party is unable to perform in whole or in part any obligation under this contract because of war, hostility, civil commotion, sabotage, quarantine restrictions, acts of God and acts of Government (including but not restricted to prohibition of exports or imports) fires, floods, explosions, epidemics, strikes, embargoes then the date of fulfillment of engagement shall be postponed during the time when such circumstances are operative.</p> <p>ii. Any waiver /extension of time in respect of the delivery of any installment or part of the goods shall not be deemed to be waiver/extension of time in respect of the remaining deliveries.</p> <p>iii. If operation of such circumstances exceed three months, each party shall have the right to refuse further performance of the contract in which case neither party shall have the right to claim eventual damages.</p> <p>iv. The party which is unable to fulfill its engagements under the present contract must within 7 (Seven) days of occurrence of any of the causes mentioned in this clause shall inform the other party in writing of the existence or termination of the circumstances preventing performance of the contract. Certificate issued by the Chamber of Commerce in the country of Seller or the Buyer or the country where the Load port is located shall be sufficient proof of existence of the above circumstances and their duration. Non-availability of raw material will not be an excuse to the Seller for not performing their obligation under this contract.</p> <p>v. The failure of any party to fulfill any of its obligations shall not be considered to be a breach of, or default under, the Contract in so far as such inability arises from an event of Force Majeure, provided that the party affected by such an event has taken all reasonable precautions, due care and reasonable alternative measures, all with the objectives of carrying out the terms and conditions of the Contract.</p>
<p>10.10</p>	<p>Disputes / Arbitration:</p> <p>“Any dispute arising out of or in connection with this contract, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration administered by the Singapore International Arbitration Centre (“SIAC”) in accordance with the Arbitration Rules of the Singapore International Arbitration Centre ("SIAC Rules") for the time being in force, which rules are deemed to be incorporated by reference in this clause. The seat and venue of the arbitration shall be at New Delhi, India. The language of the arbitration shall be English. This Contract/LOI/NIT shall be governed by and construed in accordance with the Laws of India.”</p>
<p>10.11</p>	<p>FINAL WEIGHT</p> <p>Sellers & receivers at the discharge port will appoint, at their own cost independent surveyors for conducting joint draft survey. Final weight as determined by Joint Draft Survey conducted through an independent internationally reputed surveyor at the discharge port shall be treated as final and binding on the Seller for the purpose of payment of shortages as compared to B/L weight. Quantity declared as damaged cargo shall be treated as quantity delivered short and shall be treated accordingly. The weight of cargo shipped, determined by joint draft survey at discharge port, would be final.</p> <p>In the event of disagreement in the discharge port draft survey results, about quantity at discharge port and any of the parties representing the ship owner/foreign Suppliers and Receivers etc., refusing to sign or signs under protest the joint draft survey report, NFL and/or</p>

	<p>its Receiver may at its discretion go in for recalculation of quantities by Umpire Survey. The Umpire Surveyor shall be nominated from the panel drawn by the Department of Fertilizers (GOI). The Umpire agency will be one other than the load port inspection agencies as well as discharge port inspection agencies nominated by ship owners, sellers and receivers. The decision of Umpire surveyors will be binding on both seller and buyer. The cost of Umpire agency survey shall be equally borne by the parties.</p>
10.12	<p>INSPECTION BEFORE SHIPMENT</p> <p>NFL reserves the right at its option to have the material inspected before shipment in regard to quality and quantity including its specifications. The Seller shall tender the material for inspection to the agency to be nominated by NFL and shipment shall be effected only after the material is inspected. Certificate of Inspection so obtained by the Sellers to the effect that the material is in accordance with the specifications laid down in the contract shall accompany the shipping documents.</p> <p>For the purpose of determining quality, the Inspection Agency, may at their discretion draw samples of the material at the producing factory as specified in the contract but shall draw samples in all cases in the customary manner during the loading of the vessel with a view to ensure that the material conforms to the contractual specifications. Analysis report should specify the nutrients and other requirements of the contractual specifications as per Indian FCO. The report shall specify the methods of analysis used, type of sieve used for determination of particle size and also the contract number, the quantity loaded and name of the vessel. A clear inspection note will be released by the Inspection Agency only if they are satisfied that the cargo meets contractual specifications</p>
10.13	<p>Discharge Port Quality Inspection</p> <p>a) Samples for determining the quality of the cargo shall be drawn at the port of discharge through Central Fertilizer Quality Control and Training Institute (CFQC&TI), Faridabad or any of its regional branches. The quality so determined at discharge port shall be final and binding on the seller. The cargo shall also conform to 'standard' as analyzed by Central Fertilizer Quality Control and Training Institute (CFQC&TI), Faridabad (India) or any of its regional laboratory.</p> <p>b) The Seller, if so desire, can nominate its representative to supervise draft survey / drawl of samples at discharge port at their own expense. NFL will advise the port of discharge at the time of finalizing the contract/sailing of vessel.</p>
10.14	<p>The Sellers are liable for shortage in quantity as revealed by the Joint Draft Survey at discharge port vis-à-vis the Bill of Lading quantity and the amount of penalties levied by receivers on account of deviations in quality (nutrients, moisture and particle size) on the basis of discharge port analysis as per clause 10.13 vis-à-vis specifications in the contract would be recovered, without any demur or reference to the seller <u>by all legal means including invocation of PBG Bond</u> executed by the Seller in case the Seller fails to remit the amount promptly. The Seller should make good such recoveries made by receivers through payment to NFL directly within 15 days of notification by NFL, failing which penal interest at the rate of 18% p.a. on quarterly rest basis shall be payable up to the date of actual remittance by the Seller.</p>
10.15	<p>REJECTION OF CARGO: In case the entire cargo is rejected at the discharge port and/or declared unfit for direct application as fertilizer, and/or declared non-standard, as evidenced by the quality report of Central Fertilizer Quality Control & Training Institute, Faridabad (CFQC&TI) or any of its regional laboratory, the Seller shall refund landed cost of the cargo found unfit as well as all consequential handling and distribution costs, exchange rate fluctuation, pro rata bank</p>

	<p>charges & insurance charges and other incidental charges as recovered/deducted by DOF and/or by Insurance Company thereof immediately on Buyers first demand with value date being the date of initial payment to the seller, failing which penal interest at the rate of 18% p.a. on quarterly rest basis shall be payable up to the date of actual remittance by the Seller without waiting for umpire analysis or the result of umpire analysis. <u>NFL shall be entitled to recover such additional cost and damages by all legal means including invocation of PBG.</u></p>
<p>10.16</p>	<p>UMPIRE ANALYSIS</p> <p>i) The Buyer and/or receivers' representative and the Seller's representative be present at the time of sample collection at discharge port. The NFL's receiver will organize entry passes for the representative of Faridabad Laboratory or any of its regional laboratories and Seller's representative. A part of the discharge port sample will be kept by the Seller's, Buyer's/Receiver representative and one part by Faridabad Laboratory or any of its regional laboratories for future reference in case of dispute. In case it is required, the reference sample for Umpire analysis will be the sample retained by Central Fertilizer Quality Control & Training Institute, Faridabad or any of its regional laboratories only. Seller will be ineligible for asking for Umpire analysis in case, he/his representative does not sign the sample slip/ relevant documents or is not present at the time of collecting the representative sample drawn by representative of surveyor/ inspection agency nominated by NFL or its nominee.</p> <p>ii) In case of dispute about quality, the Seller has right for Umpire analysis. In such circumstances reference sample will be sent to the Umpire laboratory and umpire analysis would be done in all the parameters and the result of Umpire laboratory will be binding on both Seller and Buyer. The cost of Umpire analysis will be borne by the losing party. The Umpire analysis will be done by a reputed Inspection Agency nominated by NFL and/or its receiver. The Umpire agency shall be one of the laboratories notified for the referee analysis in the Fertilizer Control Order 1985 (as amended up to the date of tender closing) and will be the one other than the load port/discharge port Inspection Agency. The seller shall have the right to select at least 3(three) eligible laboratories for Umpire analysis, out of which NFL and/or receivers shall nominate one agency.</p> <p>iii) The penalties for deviations in specifications found at discharge port will be recovered on the basis of scales given in Annexure – II.</p> <p>iv) In the event of disagreement in the discharge port draft survey results, about quantity at discharge port and any of the parties representing the ship-owners/foreign suppliers and receivers etc. refusing to sign or signs under protest the Joint draft survey report, NFL and/or its receiver may at its discretion go in for recalculation of quantities by Umpire Survey.</p> <p>v) The Umpire Surveyor shall be nominated from the panel drawn by the Department of Fertilizer (GOI). The Umpire agency will be the one other than the load port Inspection Agencies as well as discharge port inspection agencies nominated by ship owners, sellers and receivers. The decision of Umpire Surveyors will be binding on both seller and buyer. The cost of Umpire agency survey shall be equally borne by the parties.</p>
<p>10.17</p>	<p>DEFAULT: The supplier must note that timely shipment /delivery of the material is essence of the contract and shall be treated as firm. However, under any circumstances if the supplies get delayed and the supplier fails to effect shipment/deliver the material within the time stipulated in the contract, the same shall be treated as breach of contract. Under such situation, it is agreed that the Buyer shall have the following options to safeguard it's interest:-</p> <p>a) To accept late shipment (Full or part) with any one of the following conditions:</p>

	<p>To recover as liquidated damages and not by way of penalty/damages, for the period after this material was due, until actual delivery or until the buyer secures the material or other material of similar description from other sources, a sum equivalent to 2% of the contract value of the undelivered material per month, or part thereof.</p> <p>OR</p> <p>To accept the supplies (full or part) of the delayed shipments, subject to seller's confirmation of the revised lower prices intimated by the buyer, based on the prevailing import prices in India, established through subsequent tender(s) by State Trading Enterprises (STEs).</p> <p>b) To not accept the late shipment with any one of the following conditions</p> <p>Buyer, with notice to seller, shall source the delayed quantities (full or part) of the likely similar description of material (readily available in the market) at the sole risk and cost of the seller and claim all the related losses/damages from the seller towards breach of the contract.</p> <p>OR</p> <p>To cancel the contract or a portion thereof for supply of full or part quantities without any further notice and to forfeit the PBG/Performance Bond submitted for the successful performance of the contract.</p> <p>c) Further in addition to (a) and/or (b) above, the buyer reserves the right to debar the seller from participating in one or more future tenders invited by the buyer and/or other canalizing agencies in India.</p> <p>Decision taken by the buyer in this regard will be conclusive and shall be binding on the Seller.</p>
<p>10.18</p>	<p>EVALUATION CRITERIA: The offers received in the tender shall be evaluated on overall lower to higher basis (L1 upwards) for each coast separately and quantity shall be allocated to the bidders for each port as per the requirement of DOF, from L1 upwards coast-wise without considering port wise lowest bids from the suppliers.</p>
<p>10.19</p>	<p>SYSTEM FOR CALLING BIDDERS FOR MATCHING COUNTER OFFER PRICES: In order to meet the demand, the required quantities may be imported from more than one supplier through various discharge ports in India. For contracting the required quantities, bidders shall be called for matching prices as per counter offers as under:-</p> <p>a) The comparative statements (CST) indicating hierarchy of bidders shall be prepared on the following basis:-</p> <p>(i) CST (COAST WISE i.e. separately for ECI & WCI):- Coast wise i.e. East coast of India (ECI) and West coast of India (WCI) CST for various discharge ports on each coast showing hierarchy of various bidders.</p> <p>(ii) CST (CONSOL): Consolidated CST for all discharge ports irrespective of East Coast of India (ECI) or West coast of India (WCI) showing hierarchy of various bidders.</p> <p>b) Based on discharge port-wise quantity requirements on each coast, counter-offers (based on coastwise L-1 prices or port-wise negotiated L-1 prices) shall be first given to bidders in order of their hierarchy as per the respective CST (COAST WISE). In case requirement of full quantity at a particular discharge port are not met, for sourcing the balance left over quantity counter offers will be then given to various other bidders in order of their hierarchy as per CST (CONSOL).</p> <p>c) For discharge port for which no offer is received, counter offers will be decided by NFL and</p>

	<p>shall be given in order of hierarchy in CST (CONSOL).</p> <p>d) In case any bidder has quoted prices only on FOB basis, NFL at its sole discretion may add the estimate freight and suitably place him in all the comparative statements.</p> <p>e) The bidders shall have to intimate within a stipulated time their acceptance to counter offers indicating quantities and discharge ports.</p> <p>f) NFL's decision in this regard shall be final and binding on all bidders.</p>
10.20	<p>Applicable Law/ Jurisdiction of Courts: The applicant here to agree that the courts and tribunals at New Delhi shall have exclusive jurisdiction to settle any or all disputes which may arise out of or in connection with the tender. All disputes arising out of this tender shall be decided in accordance with the Laws of India.</p>
10.21	<p>Fraud Prevention Policy: Bidder should adhere to Anti-Fraud Policy of NFL (full text of which is available on NFL's website www.nationalfertilizers.com) and not indulge or allow anybody else working in the company to indulge in fraudulent activities and would immediately apprise NFL of the fraud/ suspected fraud as soon as it comes to their notice. specification. This will include distribution of particle size and coating as well as nutrient content, etc.

- f) After inspection and sampling, the analysis report, weight records and other data required by the Inspecting Agency shall be forwarded to them. A copy of the vessels Bill of Lading shall also be provided as evidence of quantity loaded in good conditions, i.e. clean. All documents regarding shipment shall be air mailed immediately to avoid delay in the issue of the Inspection certificate of claiming payment for the suppliers.
- g) Analysis report should specify the nutrients and other requirements of the contract specification. The report shall specify the methods of analysis used, type of sieve used for determination of particle size and also the contract number, the quantity loaded and the name of the vessel. If more than one factory supplied cargo for same vessel, a factory analysis report shall be provided for each of the factories.
- h) The weight should be determined by conducting draft survey before loading of the cargo and after completion of the loading of the cargo through an independent internationally reputed surveyor at Buyer's cost. Bill of Lading and invoice will show draft survey weight. Quantity declared as damaged cargo shall be treated as quantity determined short and shall be treated accordingly.

5.00 CHECK WEIGHTMENT AND QUALITY AT THE INDIAN PORT OF DISCHARGE:

- (a) Samples for determining the quality of the cargo shall be drawn at the port of discharge through Central Fertilizer Quality Control and Training Institute (CFQC&TI), Faridabad or any of its regional branches. The Port of discharge shall be communicated to seller before the arrival of the vessel.
- (b) The port of discharge would be any one safe port nominated in West/East Coast of India. Buyers and/or its receivers shall also arrange Draft Survey at discharge port by reputed surveyor. The Seller may nominate their representative at their own expense to be present to associate themselves with the Draft Survey and drawl of samples at discharge port. The draft weight as reported in Joint Draft Survey Report at discharge port shall be treated as final.
- (c) The quality and quantity as determined at (a) & (b) above at discharge Port will be treated as final and binding for both Buyers and Sellers.
- (d) The payment for shortage in quantity, as revealed by the Joint Draft Survey at discharge port vis-a-vis the bill of lading quantity, and the amount of penalties levied by receivers on account of deviations in quality (nutrients, moisture and particle size) on the basis of discharge port analysis as per (a) above vis-à-vis specifications in the contract would be recovered, without any demur or reference to the seller by all legal means including invocation of PG Bond executed by the Seller in case the Seller fails to remit the amount promptly. The Seller should make good such recoveries made by receivers through payment to NFL directly within 15 days of notification by NFL, failing which penal interest at the rate of 18% p.a. on quarterly rest basis shall be payable up to the date of actual remittance by the Seller.
- (e) The penalties for deviations in specification found at discharge port will be recovered on the basis of scales given in Annexure II. In case the entire cargo is rejected at the discharge port and/or declared unfit for direct application as fertilizer, and/or declared non-standard, as evidenced by the quality report of Central Fertilizer Quality Control & Training Institute, Faridabad or any of its regional laboratory, the Seller shall refund landed cost of the cargo found unfit as well as all

consequential handling and distribution costs, exchange rate fluctuation, pro rata bank charges & insurance charges and other incidental charges as recovered/deducted by DOF and/or by Insurance Company thereof immediately on Buyers first demand with value date being the date of initial payment to the seller, failing which penal interest at the rate of 18% p.a. on quarterly interest basis shall be payable up to the date of actual remittance by the Seller without waiting for umpire analysis or the result of umpire analysis. NFL shall be entitled to recover such additional cost and damages by all legal means including invocation of PG Bond.

- (f) The Seller, shall nominate its representative to supervise the draft survey and drawal of samples at discharge port at his own expenses. NFL will advise the port of discharge immediately on its nomination by the Department of Fertilizers. The names of such representatives with their telephone no., fax nos. and full address shall be advised by the Sellers to NFL within two working days. All the authorised representatives will sign at the time samples are sealed without exception. Two such sealed samples will be kept by the representatives of Central Fertilizer Quality Control & Training Institute or any of its regional laboratory and the third sealed sample will be handed over to the representative of the Seller.
- (g) In case the Seller's representative for whatever reason does not associate himself at the time of drawl of samples etc., it is clearly understood that the drawl of sample by the representative of CFQC&TI or any of its regional laboratory shall be final and binding.

6.00 UMPIRE ANALYSIS:

The Buyer and/or receivers' representative and the Seller's representative be present at the time of sample collection at discharge port. The NFL's receiver will organize entry passes for the representative of Faridabad Laboratory or any of its regional laboratories and Seller's representative. A part of the discharge port sample will be kept by the Seller's representative and one part by Faridabad Laboratory or any of its regional laboratory for future reference in case of dispute. In case it is required, the reference sample for Umpire analysis will be the sample retained by Central Fertilizer Quality Control & Training Institute, Faridabad or any of its regional laboratories only. Seller will be ineligible for asking for Umpire analysis in case, he/his representative does not sign the sample slip/relevant documents or is not present at the time of collecting the representative sample drawn by representative of surveyor/ inspection agency nominated by NFL or its nominee.

- i) In case of dispute about quality, the Seller has right for Umpire analysis. In such circumstances reference sample will be sent to the Umpire laboratory and umpire analysis would be done in all the parameters and the result of Umpire laboratory will be binding on both Seller and Buyer. The cost of Umpire analysis will be borne by the losing party. The Umpire analysis will be done by a reputed Inspection Agency nominated by NFL and/or its receiver. The Umpire agency shall be one of the laboratories notified for the referee analysis in the Fertilizer Control Order 1985 (as amended upto the date of tender closing) and will be the one other than the load port/discharge port Inspection Agency. The seller shall have the right to select at least 3(three) eligible laboratories for Umpire analysis, out of which NFL and/or receivers shall nominate one agency.
- ii) The penalties for deviations in specifications found at discharge port will be recovered on the basis of scales given in Annexure – II.
- iii) In the event of disagreement in the discharge port draft survey results, about quantity at discharge port and any of the parties representing the ship-owners /foreign suppliers and receivers etc. refusing to sign or signs under protest the Joint draft survey report, NFL and/or its receiver may at its discretion go in for recalculation of quantities by Umpire Survey. The Umpire Surveyor shall be

nominated from the panel drawn by the Department of Fertilizer (GOI). The Umpire agency will be the one other than the load port Inspection Agencies as well as discharge port inspection agencies nominated by ship owners, sellers and receivers. The decision of Umpire Surveyors will be binding on both seller and buyer. The cost of Umpire agency survey shall be equally borne by the parties.

FOR AND ON BEHALF OF
M/S. NATIONAL FERTILIZERS LIMITED,

SPECIFICATIONS FOR PRILLED/GRANULAR UREA (BULK) FERTILIZER GRADE

DESCRIPTION: The material shall be in the form of white free flowing granules, prills or pellets or shots, shall be free from visible impurities and dust. The material must be chemically treated and coated to reduce Hygroscopicity.

NOTE The material shall be considered free flowing at the time of unloading, if the prills/ granules are separate from each other, the lumps or crust formed in the hatches of vessels are broken with slight pressure of fingers into separate prills/ granules and if the cliffs formed near the walls of the hatches can be broken by slight pressure with bamboo sticks/or iron rods.

The material shall also comply with the requirements specified in the Table below:-

Sl.	Characteristics	Requirements
1	Moisture percent by weight maximum	0.50
2	Total Nitrogen per cent by weight (On dry basis) minimum	46.00
3	Biuret per cent by weight, maximum	1.50
4.	Particle Size (Prilled)	The portion of the material passing through 2.8 mm IS SIEVE (Tyler Sieve 7) and retained on 1 mm IS SIEVE (Tyler Sieve 16) shall not be less than 90% by weight, and not more than 5% by weight shall pass through 1.00 mm IS SIEVE.
	OR PARTICLE SIZE (GRANULAR)	Minimum 90% of the material shall pass through 4 mm IS SIEVE (Tyler Sieve 5) and be retained on 2 mm IS SIEVE (Tyler Sieve 9). Not more than 5% shall be below 2 mm IS SIEVE.

METHOD OF ANALYSIS		
A	Nitrogen	2.4.03 AOAC(1995)
B	Biuret	2.4.23 AOAC(1995)
C	Moisture	D.4 (TFI,1982)
D	PARTICLE SIZE	IV A, TFI, (1982)
E	Sampling	2.1.01., AOAC (1995) OR IC 1, IC 2, (TFI - 1982) OR Schedule II A of FCO, 1985

NOTE:

- I. The arrival of the material in white free flowing condition at Indian Ports will be guaranteed by the suppliers. For any deviation from the above specifications, Scale of Penalties as prescribed will apply.
- II. Urea supplied shall be either in prilled or in granular form but no mix-up will be allowed in a vessel. In exceptional circumstances (to be proved and documented by Supplier to NFL's satisfaction), Prilled and Granular Urea, may be permitted to be loaded in single vessel, only with prior approval of NFL and with the terms and conditions i.e. loading of prilled and granular urea shall be loaded in separate holds, separate documents for each type of Urea to be submitted under LC and other relevant suitable terms for avoiding mixing of cargos.

SCALES OF PENALTIES

The penalties for deviations in specifications found at discharge port shall be recovered on the basis of scale given below:

1. NUTRIENT LOSSES

Any deficiency up to a maximum of 1% beyond the tolerance limits prescribed under Fertilizer Control Order (FCO).	5 times of the CFR value (established on the basis of Market freight, in case of FOB Contracts) of the deficient Nutrient. In a non-standard fertilizer, the total deficiency beyond FCO specifications has to be counted for the purpose of computing Penalty/damages.
Deficiency beyond above limit.	As decided by the Expert Committee of Deptt. of Fertilizers, Govt. of India.

2. With regard to penalty/damages on excess moisture contents, the penalty will be levied on pro-rata basis. The scale of penalty will be prescribed as “two times the value of Fertiliser equivalent to excess moisture content in entire shipment by weight.”
3. The penalty/damages on account of deviation in particle size which will be of two components:
 - a) Penalty/damages on account of deficiency in particle size.
 - b) Penalty/damages on account of excess over-size particle
 The net penalty/damages on account of particle size deviation would be total of its two components (a+b) which will be determined as under:
 - i) Deficiency in particle size = Percentage of material below the lower sieve in the sample Minus Maximum permissible material below the lower sieve.
The penalty/damages on account of deficiency will be 30% of the value of material equivalent to “deficiency” in particle size (defined above) in entire shipment.
 - ii) Excess of over-size material = Percentage of material above upper sieve in the sample Minus Maximum permissible percentage above upper sieve.
The penalty/damages on account of over-size will be “15% of the value of fertilizer determined as over-size in entire shipment”.
 On account of deviation in particle size, the buyer can reject the entire cargo or part thereof on recommendation of DOF.
4. The buyer, as per directions of DOF reserves its right to reject and return the entire cargo at discharge port, if it is not found fit for direct agriculture use or declared ‘Non-standard’ as per the report of the CFQC&TI, Faridabad or any of other agency appointed by DOF.
5. INTEGRITY PACT

(To be executed on plain paper and submitted along with technical bid/tender documents for tenders having a value of Rs.1 crore or more. To be signed by the bidder and NFL.)

National Fertilizers Limited (NFL) hereinafter referred to as “The Principal”.

AND

_____ hereinafter referred to as “The Bidder/Contractor”

PREAMBLE

The Principal intends to award, under laid down organizational procedures, contract/s for supply of prilled / Granular Urea in loose bulk (46% Nitrogen Minimum - Fertilizer Grade). The Principal values full compliance with all relevant laws of the land, rules, regulations, economic use of and of fairness/transparency in its relations with its Bidder(s) and/or Contractor(s).

In order to achieve these goals, the Principal will appoint an Independent External Monitor (IEM), who will monitor the tender process and the execution of the contract for compliance with the principles mentioned above.

Section 1 – Commitments of the Principal.

1. The Principal commits itself to take all measures necessary to prevent corruption and to observe the following principles :-
 - a) No employee of the Principal, personally or through family members, will in connection with the tender for, or the execution of a contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the personal is not legally entitled to.
 - b) The Principal will during the tender process treat all Bidder(s) with equity and reason. The Principal will in particular, before and during the tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential/additional information through which the Bidder(s) could obtain an advantage in relation to the process or the contract execution.
 - c) The Principal will exclude from the process all known prejudiced persons.
2. If the Principal obtains information on the conduct of any of its employees which is a criminal offence under the IPC/PC Act, or if there be a substantive suspicion in this regard, the Principal will inform the Chief Vigilance Officer and in addition can initiate disciplinary actions.

Section 2 – Commitments of the Bidder(s)/Contractor(s)

1. The Bidder(s)/Contractor(s) commit himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the tender process and during the contract execution.
 - a. The Bidder(s)/contractor(s) will not, directly or through any other persons or firm, offer promise or give to any of the Principal’s employees involved in the tender process or the execution of the contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage or during the execution of the contract.
 - b. The Bidder(s)/Contractor(s) will not enter with other Bidders into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.
 - c. The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act; further the Bidder(s)/Contractors will not use improperly, for purposes of competition or personal gain, or pass on to others, any information or documents provided by the Principal as part of the business

relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.

- d. The Bidder(s)/Contractor(s) of foreign origin shall disclose the name and address of the Agents/representatives in India, if any. Similarly, the bidder(s)/contractor(s) of Indian Nationality shall furnish the name and address of the foreign principals, if any. All the payments made to the India agent/representative have to be in Indian Rupees only.
 - e. The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract.
2. The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.

Section 3: Disqualification from tender process and exclusion from future contract

If the Bidder(s)/Contractor(s), before award or during execution has committed a transgression through a violation of Section 2 above or in any other form such as to put his reliability or credibility in question, the Principal is entitled to disqualify the Bidder(s)/Contractor(s) from the tender process or to terminate the contract, if already signed, for such reasons.

Section 4 : Compensation for Damages

1. If the Principal has disqualified the Bidder(s) from the tender process prior to the award according to Section 3, the Principal is entitled to demand and recover the damages equivalent to Earnest Money Deposit/Bid Security.
2. If the Principal has terminated the contract according to Section3, or if the Principal is entitled to terminate the contract according to Section3, the Principal shall be entitled to demand and recover from the Contractor liquidated damages of the Contract value or the amount equivalent to Performance Bank Guarantee.

Section 5: Previous Transgression

1. The Bidder declares that no previous transgressions occurred in the last three years with any other company in any country conforming to the TII's anti corruption approach or with any other public sector enterprise in India that could justify his exclusion from the tender process.
2. If the bidder makes incorrect statement on this subject, he can be disqualified from the tender process and appropriate action can be taken including termination of the contract, if already awarded, for such reason.

Section 6: Equal treatment of all Bidders/Contractors/Sub-contractors.

1. The Principal will enter into agreements with the identical conditions as this one with all bidders, contractors and sub-contractors.
2. The Principal will disqualify from the tender process all bidders who do not sign this Pact or violate its provisions.

Section 7: Criminal charges against violation Bidder(s)/Contractor(s)/Sub-contractors(s).

If the Principal obtains knowledge of conduct of a Bidder(s)/ Contractor(s) which constitutes corruption, or if the Principal has substantive suspicion in this regard, the Principal will inform the same to the Chief Vigilance Officer.

Section 8: Independent External Monitor/Monitors

1. The Principal appoints competent and credible Independent External Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the parties comply with the obligations under this agreement.

2. The Monitor is not subject to instructions by the representatives of the parties and performs his functions neutrally and independently. It will be obligatory for him to treat the information and documents of bidders /contractors as confidential. He reports to the Chairman & Managing Director, NFL.
3. The Bidder(s)/Contractor(s) accepts that the Monitor has the right to access without restriction to all project documentation of the Principal including that provided by the Contractor. The Contractor will also grant the Monitor, upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to Subcontractors. The Monitor is under contractual obligation to treat the information and documents of the Bidder(s)/Contractor(s)/Subcontractor(s) with confidentiality.
4. The Principal will provide to the Monitor sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the Principal and the Contractor. The parties offer to the Monitor the option to participate in such meetings.
5. As soon as the Monitor notices, or believes to notice, a violation of this agreement, he will so inform the Management of the Principal and request the Management to discontinue or take corrective action, or to take other relevant action. The monitor can in this regard submit non-binding recommendations. Beyond this, the Monitor has no right to demand from the parties that they act in a specific manner, refrain from action or tolerate action.
6. The Monitor will submit a written report to the Chairman & Managing Director,, NFL within 8 to 10 weeks from the date of reference or intimation to him by the Principal and, should be occasion arise, submit proposals for correcting problematic situations.
7. Monitor shall be entitled to compensation on the same terms as being extended to/provided to Independent Directors on NFL Board.
8. If the Monitor has reported to the Chairman & Managing Director, National Fertilizers Limited, a substantiated suspicion of an offence under relevant IPC/PC Act, and the Chairman & Managing Director, NFL has not, within the reasonable time taken visible action to proceed against such offence or reported it to the Chief Vigilance Officer, the Monitor may also transmit this information directly to the Central Vigilance Commissioner.
9. The word “Monitor” word include both singular and plural.

Section 9 : Pact Duration

This pact begins when both parties have legally signed it. It expires for the Contractor 12 months after the last payment under the contract, and for all other Bidder 6 months after the contract has been awarded.

If any claim is made/lodged during this time, the same shall be binding and continue to be valid despite the lapse of this pact as specified above, unless it is discharged/determined by Chairman & Managing Director of NFL.

Section 10 : Other Provisions

- This agreement is subject to Indian Law. Place of performance and jurisdiction is the Registered Office of the Principal i.e. New Delhi.
- Changes and supplements as well as termination notices need to be made in writing. Side agreements have not been made.
 - If the contractor is a partnership or a consortium, this agreement must be signed by all partners or consortium members.
 - Should one or several provisions of this agreement turn out to be invalid, the remainder of this agreement remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
 - A person signing IP shall not approach the courts while representing the matters to IEMs and he/she will await their decision in the matter.
 - COMPLIANCE WITH LABOUR LAWS/CODES/SCHEMES:
 “The bidder (s)/Contractor (s) shall, wherever applicable, comply with all the statutory requirements relating to the contracts such as relevant Labour Laws/Codes/Schemes including but not limited to the EPF & Misc. Provisions Act-1952, the ESI Act-1948, the payment of Bonus Act-1965, the Contract Labour (Regulation & Abolition) Act, 1970, the Minimum Wages Act-1948, etc. as amended from time to time and for the time being in force.”

SPECIAL INSTRUCTIONS TO TENDERERS

1. Mode of Tendering:

National Fertilizers Ltd. has decided to do procurement of Fertilizers against this tender through e-tendering. The NIT is available on website <https://etenders.gov.in/eprocure/app> from where the registered vendors will be able to download the tender documents free of cost for participation in the tender and submit their bids online. The tender submission, tender closing and opening will be done electronically and online.

You are already aware of the process regarding downloading of tender documents, preparation of techno-commercial bid as well as price bid, uploading of techno-commercial as well as price-bids and submitting through online only, opening of bids, participation in reverse auctioning, and other related activities. It is presumed that accordingly, you can submit your bid and participate in this tender as per the requirements of the system. However, in case of any help / clarification, you may contact any one of the following:

a) M/s National Fertilizers Limited-Noida

Name - Rajeev Sharma (DGM-I/c, II&IP) Contact No.- +91- 9312602121 Email –rajeev@nfl.co.in	Name - Amit Tyagi (Manager-II&IP) Contact No.- +91- 9463707872 Email – imports@nfl.co.in
---	--

b) Any queries relating to the process of online bid submission or queries relating to tender Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 0120-4001 002, 0120-4001 005 & 0120-6277 787.

2. All the vendors participating in the online e-procurement have to abide by the process involved in the entire workflow of the e-procurement. The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal. NFL shall not be responsible for any mistake made by the vendor at the time of bid process. In case any vendor submits an invalid bid due to any reason including typing mistake / human error, such invalid bid will be disqualified / rejected with forfeiture of EMD and such vendor shall not be allowed to further participate in that tender. The remaining process shall be completed considering the other valid bids. This shall however, be without any prejudice NFL's right to debar / de-list (*vendors who submit invalid bids*) from future tenders. Such action, if any, shall be taken at the sole option of NFL.
3. It is mandatory for the vendors to use the digital certificate in all their bidding Process.
4. To participate in e-tendering of NFL, please refer <https://etenders.gov.in/eprocure/app> for System requirement, Browser configuration, procedures etc.
5. It is the entire responsibility of the vendors to protect their own login Id and Password and keep their digital certificate safe so that is not misused by any other person.

6. **Tender Schedule:**

The notice of issue of enquiry and detailed schedule for downloading the NIT documents, submission of bids, tender closing, tender opening, Reverse Auction and subsequent clarification/amendment in schedule etc. shall be communicated to registered vendors separately by emails/fax message. The same is also available on the above mentioned website against this tender.

Note: After expiry of date & time for a particular activity as mentioned above, that particular activity cannot be done unless the schedule for the same is extended /amended. Similarly no activity can be done before start date & time specified for that particular activity unless the schedule for the same is pre-poned / amended.

7. **REGISTRATION AT CPP Portal**

- a) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://etenders.gov.in/eprocure/app>) by clicking on the link “Online bidder Enrollment” on the CPP Portal which is free of charge.
- b) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- c) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- d) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- e) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
- f) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

8. **SEARCHING FOR TENDER DOCUMENTS AT CPP Portal**

- a) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- b) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- c) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

9. **PREPARATION OF BIDS AT CPP Portal**

- a) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- b) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which

the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

- c) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- d) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or “Other Important Documents” area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Note: My Documents space is only a repository given to the Bidders to ease the uploading process. If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

10. SUBMISSION OF BIDS AT CPP Portal

- a) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- b) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- c) Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument.
- d) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- e) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- f) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.

- g) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener's public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- h) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- i) Upon the successful and timely submission of bids (i.e. after Clicking "Freeze Bid Submission" in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- j) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

11. ASSISTANCE TO BIDDERS FOR CPP Portal

- a) Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
- b) Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk.

13. Tender Opening:

The tenders will be opened electronically by NFL from Noida office. The submission of bids shall be done by vendors from their office or from place of their choice. However bids cannot be submitted after the bid submission due date & time as per the schedule. Price bid of all the vendors who are techno-commercially acceptable shall be opened electronically **M/s. National Fertilizers Limited-Noida**

2. Firm: The term 'firm' or 'bidder' has the same meaning for the purpose of these Guidelines, which includes an individual or person, a company, a cooperative society, a Hindu undivided family and an association or body of persons, whether incorporated or not, engaged in trade or business.
3. Allied firm: All concerns which come within the sphere of effective influence of the debarred firms shall be treated as allied firms. In determining this, the following factors may be taken into consideration:
 - a. Whether the management is common;
 - b. Majority interest in the management is held by the partners or directors of banned/ suspended firm;
 - c. Substantial or majority shares are owned by the banned/ suspended firm and by virtue of this it has a controlling voice.
 - d. Directly or indirectly controls, or is controlled by or is under common control with another bidder.
 - e. All successor firms will also be considered as allied firms.
4. The terms "banning of firm", 'suspension', 'Black-Listing' etc. convey the same meaning as of "Debarment".

Debarment by NFL, limited to only NFL-

5. Orders for Debarment of a firm(s) shall be passed by NFL, keeping in view of the following:

- a. A bidder or any of its successors may be debarred from participating in any procurement process for a period not exceeding two years.
- b. Firms will be debarred if it is determined that the bidder has breached the code of integrity as per Rule 175 of GFRs 2017 given below-

No official of a procuring entity or a bidder shall act in contravention of the codes which includes

(i) prohibition of

- (a) making offer, solicitation or acceptance of bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process.
- (b) any omission or misrepresentation that may mislead or attempt to mislead so that financial or other benefit may be obtained or an obligation avoided.
- (c) any collusion, bid rigging or anticompetitive behavior that may impair the transparency, fairness and

the progress of the procurement process.

- (d) improper use of information provided by the procuring entity to the bidder with an intent to gain unfair advantage in the procurement process or for personal gain.
 - (e) any financial or business transactions between the bidder and any official of the procuring entity related to tender or execution process of contract; which can affect the decision of the procuring entity directly or indirectly.
 - (f) any coercion or any threat to impair or harm, directly or indirectly, any party or its property to influence the procurement process.
 - (g) obstruction of any investigation or auditing of a procurement process.
 - (h) making false declaration or providing false information for participation in a tender process or to secure a contract;
- (ii) disclosure of conflict of interest.
- (iii) Disclosure by the bidder of any previous transgressions made in respect of the provisions of sub-clause (i) with any entity in any country during the last three years or of being debarred by any other procuring entity.
- c. A bidder can also be debarred for any actions or omissions by the bidder other than violation of code of integrity, which in the opinion of NFL, warrants debarment, for the reasons like supply of sub-standard material, non-supply of material, abandonment of works, sub-standard quality of works, failure to abide "BidSecuring Declaration" etc.
 - d. Before issuing the debarment order against a firm, reasonable opportunity shall be given to the concerned firm to represent against such debarment (including personal hearing, if requested by firm).
 - e. List of debarred firms will be maintained, which will also be displayed on NFL's website for all units of NFL.

6. Similarly, Government e-Marketplace (GeM) can also debar bidders upto two years on its portal as per their rules for GeM portal hence these debarred firms will not be eligible to participate in NFL's tenders in GeM only.

Debarment across All Ministries /Departments / Other PSUs (State as well as Centre)/ Departments/ Central Public Sector Undertakings (CPSUs)/ State Public Sector Undertakings

7. Where NFL is of the view that business dealings with a particular firm should be banned across all the Ministries/ Departments, NFL can forward such debarment proposal to DoE through DoF. DoE may issue the necessary orders after satisfying itself that proposed debarment across all the Ministries/ Departments is in accordance with Rule 151 of GFRs, 2017. Rule 151 of GFRs, 2017 is given below-
A bidder shall be debarred if he has been convicted of an offence— (a) under the Prevention of Corruption Act, 1988; or (b) the Indian Penal Code or any other law for the time being in force, for causing any loss of life or property or causing a threat to public health as part of execution of a public procurement contract. (A bidder debarred under sub-section (i) or any successor of the bidder shall not be eligible to participate in a procurement process of any procuring entity for a period not exceeding three years commencing from the date of debarment. Debarment of commerce (DGS&D) will maintain such list which will also be displayed on the website of DGS&D as well as Central Public Procurement Portal.

A procuring entity may debar a bidder or any of its successors, from participating in any procurement process undertaken by it, for a period not exceeding two years, if it determines that the bidder has breached the code of integrity. The Ministry/Department will maintain such list which will also be displayed on their website.

The bidder shall not be debarred unless such bidder has been given a reasonable opportunity to represent against such debarment.

8. The firm will remain in suspension mode (i.e. debarred) during the interim period till the final decision taken by DoE, only in NFL.
9. Before forwarding the debarment proposal to DoE through DoF, reasonable opportunity shall be given to the concerned firm to represent against such debarment (including personal hearing, if requested by firm).
10. DoE can also give additional opportunity, at their option, to firm to represent against proposed debarment. DoE can also take suo-moto action to debar the firms in certain circumstances.
11. No contract of any kind whatsoever shall be placed on the debarred firm, including its allied firms by NFL after the issue of a debarment order.
12. DoE will maintain list of such debarred firms, which will be displayed on Central Public Procurement Portal.

Revocation of Orders

13. An order for debarment passed shall be deemed to have been automatically revoked on the expiry of that specified period and it will not be necessary to issue a specific formal order of revocation.
14. A debarment order may be revoked before the expiry of the Order, by the competent authority of DoE, if it is of the opinion that the disability already suffered is adequate in the circumstances of the case or for any other reason.

Other Provisions (common to both types of debarment)

15. No contract of any kind whatsoever shall be placed to debarred firm including its allied firms after the issue of a debarment order by competent authority.
